

Turnkey & Property Developments

by: Kale Developments

Commercial

Kale Developments' key objective is to provide clients or investors in the property sector with a comprehensive 'one stop' development management service. From project inception, land acquisition and assembly, professional appointments, design development, feasibility study, financial structuring, funding, construction and ultimately project close out.

We offer full-service turnkey solutions and property developments. Our vast experience has been gained over 30 years in development and construction and our professional team takes care of cost, quality and programme control.

Recent developments include a 868 bed, seven storey Student Accommodation block in Hatfield, a 288 unit Sectional Title, four storey, walk-up development called "The Village" in Centurion and Centurion Square, an innovatively designed "P" Grade, 10 000m² office block for PPS in Centurion.

Kale Developments operates as a subsidiary of Tri-Star Group Holdings and provides Development Management services in the construction sector.
